This year's concert will present a wide range of compositions. You can expect pieces from late 19th century/early 20th century Yiddish or Russian theatre, and selections from Jewish composers from early American musical theatre to 21st century productions. Regaling us with solo performances as well as ensembles are some of the finest voices in Bergen, Rockland and Monroe Counties. Make sure to put the date on your calendar and come prepared to enjoy a great show!
