

“Cracking the Code”

On Thursday, August 25th at 8 pm, Rabbi Debra Orenstein will lead a one-session class called "Cracking the Code."

She will discuss and de-code both *nusach* (melodies for High Holiday and Shabbat services)

and *trope* (melodies for chanting the Torah).

This is a wonderful opportunity to explore the history, the meaning, and the spiritual opportunities behind the way we pray and chant.

Nusach and *trope* shape and color Shabbat, High Holiday, and the experience of prayer and Torah. All are welcome at no charge.

Please bring a non-perishable food item for a local

pantry, if you are able.
