A FUNDRAISER of the NOAH'S GIFTS FOUNDATION

"One phone call from Lisa changed everything. Within 24 hours we got supplies delivered and subsidized care for our child. [NGF] has turned tragedy into something positive. By caring for sick children [they are] bringing smiles to many kids and parents." Ester Cohen, Brooklyn, NY, Bergen Record.

Make a difference this Chanukah.

Noah's Gifts Foundation

Small acts of kindness. **Big difference.**

Noah's Gifts Foundation is a non-profit organization created by Lisa Price and friends to honor the life of her son Noah. In his three short years, Noah had a tremendous positive influence on all who knew him. A portion of your latke purchase is donated to Noah's Gifts Foundation.

Mission: to help families of children battling cancer and serious illnesses, and support pediatric cancer research. Lend your support to Noah's Gifts Foundation all year long. Please make a donation to commemorate every special occasion including birthdays, weddings, anniversaries, and holidays. An acknowledgement is sent to you and your honoree. To learn more about us, please visit www.NoahsGifts.org. Additional funds for Noah's Gifts Foundation are generated from Lisa's jewelry company www.thejewelsforlife.com. A portion of each chic and affordable piece of jewelry sold is donated to Noah's Gifts Foundation.
