The reviews are in:

- "The portions were so huge, my left over [stuffed cabbage](#) was dinner for my family of four and our pit bull Golda for over a month." (in 12 reviews)
- "The main course: (it was pure pleasure chewing the [chicken fat](#), my wife Barbara said it went down like butter" (in 19 reviews)
- "The [chopped liver](#) was enough to convert some away from Vegetarianism. Services will be held facing the lower east side" (in 34 reviews) "
