

# SERTINOS CAFE

... is hosting an evening of  
conversation and live music  
for SINGLES of All Ages

Rabbi Debra Orenstein  
of Congregation B'nai Israel (Emerson)  
will lead an open discussion on this topic —

***“What is Bashert, Anyway?”***

**Saturday, February 12th  
6:30pm**

The Jewish tradition talks about "bashert" --  
which can be translated as kismet, meant-to-be, your beloved,  
or Divine Providence in finding that special someone.  
How might religion and spirituality provide resources and  
guidance in finding a mate or developing a relationship?

Following the program, there will be plenty of time  
to mix, mingle, and drink cocoa by the fire.

**Live music with David Jacobsen  
begins at 7:30pm!**

**Sertinos Café** is located at 27 Kinderkamack Road in  
Emerson (Next to Dairy Queen) 201-265-5550
